If you are interested in representing Canada at any of the 2012 World Cup Ski-Orienteeing events send a letter (by mail, fax or email) to the COF by December 5, outlining your cross-country skiing experience, your orienteeing experience and your ski-orienteeing experience, including any recent relevant results. You must be a Canadian citizen and a full member in good standing of an orienteeing association affiliated with the COF.

The athletes and team officials would be responsible for **all** costs related to the trip, such as travel, food, accommodation and entry fees. We do not have a specific Canadian uniform for ski-orienteeing. We will be looking for suggestions from the athletes regarding the uniform options.

A selection committee will evaluate all applications received by December 5 and will notify all applicants by Dec 15. Late applications may be considered in exceptional circumstances.

All selected athletes will be required to sign the COF's athlete agreement before they will be officially registered for the event.
