## INTRODUCTION

The COF High Performance Program (HPP) provides support to help Canadian orienteers achieve international excellence. The HPP is designed for athletes who have the talent and the desire to represent Team Canada at future World Orienteering Champs (WOC), Junior World Champs (JWOC), World Games (WG), World University Orienteering Champs (WUOC), and World Cup (WC) events and who are committed to the necessary training to achieve this goal.

This handbook, together with the Athlete's Agreement, provides key information to HPP members and National Team athletes and officials. Information includes National Team selection criteria for the upcoming year, list of training camps and priority races, uniform information, communication plan, code of conduct and sponsorship procedures. This document is updated each November to serve the following year's season.

The HPP is governed by the COF's High Performance Committee (HPC). This committee's terms of reference are available on-line at [www.orienteering.ca/COFCommittees.htm](http://www.orienteering.ca/COFCommittees.htm). It explains how the committee is structured and how members are appointed.

## 4. WUOC 2012 SELECTION

World University Orienteering Championships, July 2-7, 2012 in Alicante, Spain.

In order to represent Canada at WUOC athletes must be HPP members. WUOC offers an excellent step for athletes making the jump from the junior to the senior ranks. It provides high quality competition and international experience for developing athletes. As such, we are seeking a team leader and coach for the WUOC team and encourage eligible athletes to prioritize these races. Team selections will be made by the WOC selection committee: Magnus Johansson, Brian May and one other committee member (TBA).

### **Eligibility**

All competitors must satisfy the FISU eligibility conditions and complete an athlete proof of eligibility form (Athlete Academic Eligibility Form) and return it to CIS. **This may take some time, so do it now!** The form must bear the embossed stamp of the University. The form and eligibility criteria is available at the following website: [http://english.cis-sic.ca/international/pdf\\_international/Certificate\\_of\\_Academic\\_Eligibility.pdf](http://english.cis-sic.ca/international/pdf_international/Certificate_of_Academic_Eligibility.pdf)

The competitors must be born between January 1st, 1984 and December 31st, 1994.

### **Application**

**Step 2: If selected, complete registration --Deadline April 30**

3. Electronic photo (headshot)
4. Fees
5. Confirmed flight itinerary
6. Individual competitor entry form (I1)

## **5. JWOC 2012 SELECTION**

Junior World Orienteering Championships, July 7-14, 2012 in Kosice, Slovakia.

In order to represent Canada at JWOC 2012 athletes must be HPP members. The selection process has strong emphasis on interaction with the Junior National Team Coach. The spirit is to have a continuous dialogue between the athletes and the coach throughout the winter and spring, leading up to the selection of the team.

### **Step 1. Application – Express interest at the time of HPP application on Dec 31, 2011**

Athletes wanting to become a member of the 2012 JWOC team must send an email to the Junior National Team Coach (brent.langbakk@gmail.com) including the following:

- An HPP application, as outlined in section 2 of this handbook
- A detailed races analysis of the four best races from 2011. The analysis should be posted under the Team Canada discussion group on Attackpoint. It should include an electronic copy of the map with the route drawn, preferably posted on the new HPP Digital Orienteering Map Archive (Note! DOMA has a 2MB limit per map upload), or a link to the same information on RouteGadget, if available. Results from major meets such as Provincial Champs, COC's, NAOC's, JWOC are preferred. Technical details on how to post on Attackpoint can be provided by the Junior National Team Coach.

### **Step 2. Final Selection – March 15, 2012**

The Selection Committee will make a final selection of the JWOC 2012 Team by March 15, 2012. The team will consist of a team leader and up to 6 male and 6 female athletes plus up to 2 alternates for each group. *Note that*

*the Selection Committee will take into account the activity in the applicant's training log between Dec 1, 2011 and Mar 15, 2012.* Alternates may replace any runner who fails to maintain appropriate training levels, as determined by the Junior National Team Coach, or who otherwise becomes unable to represent Canada at JWOC 2012. Selection information will be announced through the osquad email list, as well as on the COF website.

### **Selection Committee**

The selection committee for JWOC 2012 will be Brent Langbakk, Katarina Smith and Nina Wallace.

### **Junior Race Category**

This is a special note regarding which category HPP Juniors should run. *At the NAOC and the COC, HPP Juniors should **register** in their age category.* In the event of a very poor competitive field (3 or less participants), the Junior and Senior National Team Coaches may decide to move juniors up to M/W21E. In all other events it is the individual's decision whether to "run up" in M/W21E for training purposes and for a stronger competitive field.

### **JWOC Training Camp**

There is an official JWOC training camp the week prior to JWOC. Brent Langbakk will be the Team Leader and Coach for this camp.

## **6. WOC 2012 SELECTION**

World Orienteering Championships, July 14-22, 2012 in Lausanne, Switzerland.

This year's selection process will be the same as in 2011, a strong emphasis on discretion and interaction with the National Team Coach. The spirit is to have a continuous dialogue between the athletes and the coach throughout the winter and spring, leading up to the selection of the team.

### **Selection Process**

Note that it is not necessary to be a member of the HPP to be selected to the Canadian WOC team, but it is strongly encouraged.

#### **Step 1. Application – deadline December 31, 2011.**

- The athlete is to send an email to the National Team Coach (magjoh@gmail.com) declaring their preliminary intent to try out for Team Canada for WOC 2012.

#### **Step 2. Confirm intent – April 1, 2012**

- The athlete is to send an email to the National Team Coach to confirm their intent to participate in priority races in order to try out for Team Canada for WOC 2012.

#### **Step 3. Final selection – June 3, 2012**

The selection of the team will be announced on June 3, 2012. This selection will guarantee a spot on the team and will also confirm individual race assignment (excluding relay team composition). Selection information will be announced through the osquad email list, as well as on the COF website. Following are some factors that may influence the selection:

- Results in priority races
- Training consistency and quality
- Recent performance at WOC and other international events
- Opportunity for important experience for younger athletes with potential for success and a demonstrated positive progression throughout the season

The team will consist of a team leader and up to 6 male and 6 female athletes plus 2 alternates for each group. The WOC relay team composition will be announced anytime between June 3 and during WOC. The national team coach names the relay teams. Selection information will be announced through the osquad email list, as well as on the COF website.

#### **Step 4. Confirmation of Team – June 17, 2012**

In order to confirm their places all WOC team members must provide:

- A signed copy of the current Athlete Agreement
- An athlete profile for the COF website.

#### **Priority Races**

The following races are considered *priority races* and will be the competitions used for team selection. Listed are confirmed events, as of December 2011. The list will be finalized by February 28, 2012. Events shown in bold are considered especially important. In order to be considered for Team Canada the athlete has to participate in a minimum of two priority races, where at least one has to be from the especially important races (in bold writing).

- US Champs and Team Trials, April 13-15, Carrollton, GA
- West Point, May 5-6, Highland Falls, NY
- **Ottawa O-Fest, May 19 - 21, Ottawa, ON**
- Sage Stomp, May 19-21, Kamloops, BC
- **Barebones, May 26-27, Calgary/Canmore, AB**

#### **Selection Committee**

The selection committee will be Magnus Johansson, Brian May and Magali Robert. The National Team Coach and the HPP Chair will recruit and appoint the selection committee.

#### **Petitions**

Petitions may be accepted in *exceptional* circumstances. An athlete who is not able to participate in any of the priority races and still wishes to be considered for team selection has to submit a letter to the National Team coach outlining the following:

- Reasons for not being able to participate in the priority races. If due to sickness or injury, a Doctor's note is required.
- Reasons why the athlete should be selected. This has to include alternate race results equivalent to (or higher) than the priority races and summary of training log for the last 12 months.

#### **Selection to Other National Team Events**

Should selection be required for World Cups, World Games, or World University Championships, the WOC selection committee will make a discretionary decision, but may give extra priority to younger developing athletes.

Athletes who wish to participate in these events have to notify the National Team Coach at least two weeks *before* the registration deadline of the event. These dates will be communicated to the athletes throughout the season. Note that some of these events have very early registration deadlines! The COF will complete the registration process for these events.

#### **2012 World Cups**

- May 14 – May 20, European Orienteering Championships, Sweden.  
Deadline to indicate desire to compete at this event to the National team Coach: **January 15, 2012**  
Preliminary team registration deadline: January 31, 2012

Deadline to indicate desire to compete at this event to the National team Coach: **June 15, 2012**  
Preliminary team registration deadline: July 1, 2012

## **7. NORTH AMERICAN CHAMPIONSHIPS**

HPP Athletes are expected to attend the 2012 North American Championships if possible and are strongly encouraged to prioritize these races. The NAOCs are a high quality, competitive event and the races provide an excellent opportunity for HPP athletes to compete in this environment. In addition, the BK Cup competition should provide athletes with added motivation.

The HPC is planning to commit some funds to the HPP athletes who attend, such as discounting race entry fees, accommodation, etc. The extent of this funding is currently in discussion.

### **North American Champs Relay Selection**

For the first time in the BK Cup competition, a relay race will count toward the overall BK scoring. Each nation will enter two Elite Men's and two Elite Women's relay teams. There will also be two Junior Women's teams and two Junior Men's teams. Teams will be selected by the National Team Coach and the Junior National Team Coach.

## **8. ALTERNATES**

Alternates named by the National Team Coach are not expected to travel to JWOC or WOC, but they may choose to and to compete in the associated public events (the alternate is responsible for completing their own registration and all travel arrangements for these events). If the National Team Coach decides to offer a position on the spot on the team to an alternate, the coach will make every effort to give the athlete appropriate notice to make travel arrangements. Any travel grants offered through the HPP fund for the primary team's leaders and the competing JWOC/WOC athletes unfortunately will not be available to alternates unless they are offered and accept a position as a competing JWOC/WOC athlete.

## **9. APPEALS**

Appeals may be made by following the COF's appeal procedure available at: [www.orienteering.ca/pdfs/policy/Policy\\_Appeal.pdf](http://www.orienteering.ca/pdfs/policy/Policy_Appeal.pdf)

## **10. UNIFORMS**

The 2012 National Team uniform is not confirmed (as of Dec 1, 2011). Regardless of supplier, the mandatory team gear for the WOC, JWOC, WUOC and World Cups teams is warm-ups and racing suit.

The HPC is working on a solution for the 2012 uniforms and will announce the details as soon as possible.

Athletes are responsible for all costs relating to uniforms.

## **11. OTHER**

Please refer to the Athlete's Agreement for detailed information regarding code of conduct, as well as sponsorship procedures.
