

Mapping Clinic 2017 workshop

- ◆ In classroom session April 1st—Red Deer, Alberta Sports Hall of Fame

10:00am-4:00 pm Saturday

Everyone who is new to mapping or has previous experience is invited:

Learn about everything that is necessary to start creating or updating orienteering maps:

- Tools, software-programs, processes
- How to create Kiss (keep it simple stupid) maps
- Update your skills and knowledge about up to date technologies

Or if you just want to learn more about mapping.

Free with AOA membership!

- ◆ Field (forest) practice will be planned in the upcoming months.
