ACTIVITY DETAILS

AGE

10+

MATERIALS

Maps
Controls with punches
Bing-O cards

TIME

15 minutes - 30 minutes

GOAL

To learn and practice folding, thumbing, and orienting

INSTRUCTIONS

SET UP

- Plan a Score-O style course with no control codes on the map
- Print and cut out Bing-O cards
- Place controls

ACTIVITY

- Provide a map and Bing-O card to each participant
- Tell participants that they may visit the controls in any order but that they should focus on folding and thumbing the map
- Participants mass start
- When participants find a control, they may only punch it if they have a matching control code on their Bing-O card
- Once participants have a complete line of punched boxes in any direction on their card, they may return to the start
- Finished participants may take a new card or continue filling in their card to get more lines
