The Past Year

This committee has kept active over the past year, as organizers have had to reschedule major events due to Covid; as we work to schedule championship events well in advance; and as we develop resources to support major events organizers. The work of the committee has included:

- Working with organizers of NAOC 2020 (California), COC 2020 (Cranbrook), COC 2021 (Toronto), NAOC 2022 (Ottawa) to reschedule events due to COVID;
- Reaching out to clubs and PTOAs regarding hosting championship events in coming years, up to 2026
- We currently have hosts for COC 2022 (Kootenay OC, Cranbrook), COC 2024 (Toronto OC), NAOC 2024 (Ottawa OC); and are working with clubs on 2023 and 2025.
- Finalizing Major Events Guidelines, with accompanying collection of supporting resource documents, to provide resources for organizers;
- Preliminary discussions regarding a future major international sprint event in Quebec City;
- Initial discussions on reviewing the current COC format

Looking Forward

Hopefully things will settle down a bit in the coming year with respect to scheduling/rescheduling major events. Specifically, in the coming year we want to:

- Share Major Events Guidelines with organizers of upcoming championships, and continue to add to collection of supporting resource documents;
- Finalize hosts for COC 2023 and COC 2025;
- Work on major international sprint event for Quebec City;
- Continue to offer support to hosts of championship events.
