### Past Year's Work

1. **Skills & Development Database:** (previously Athlete Development Matrix (ADM)) Jeff Teutsch continued working on this until March 31, 2019. Tracy Bradley has been supervising his work - see [skills.orienteering.ca](http://skills.orienteering.ca)
2. **Sass Peepre Camp:** There is no official national junior training camp in 2019. Anna Fichman is organizing a junior camp July 21-26 at Morin Heights, Que, under the auspices of the Azimut Laurentides Orienteering Club. See: <http://azimutoc.ca/news/azimut-laurentides-junior-orienteering-camp-2019/>
3. **Sport for Life Canadian Summit:** Jeff Teutsch attended the Jan 2019 Summit, using OC's annual free entry spot.
4. **Bequest:** The Sass Peepre Fund received a bequest from Juri Peepre's estate, for which we are very grateful.
5. **Committee members:** The committee needed a break, and has done very little this past year, besides communicating with Jeff T about his progress.

### Future Work – Projects and Goals

The committee should continue to encourage Jeff Teutsch in his work on the Skills & Development Database. There should be a national junior training camp in 2020.

### **Successes and Challenges**

The committee needs a new chairperson as Kitty Jones is ready to step down.

**Finances**

Tracy Bradley has monitored payments to Jeff Teutsch.
