

LONG TERM ATHLETE DEVELOPMENT COMMITTEE

Terms of Reference
Special Committee - Ongoing

Committee Purpose

The Long Term Athlete Development (LTAD) Committee leads and manages the development and implementation of Orienteering Canada's Long Term Athlete Development Model.

Committee Membership

- The LTAD Committee has three to six members appointed by the Board of Directors from the Orienteering Canada membership.
- Up to two additional committee members may come from outside the Orienteering Canada membership.

Scope of Responsibility

The LTAD Committee is responsible for:

- Development of a Long Term Athlete Development Model for Orienteering that guides programming at all appropriate stages of participation, training and competition for the sport;
- working with other programming committees of the Orienteering Canada to integrate and embed LTAD principles in all programs and services;
- working with Provincial, Territorial and club members to activate the LTAD Model at the local and provincial / territorial levels;
- monitoring and conducting intermittent reviews of various programs and services to ensure continued integration of LTAD principles;
- providing LTAD advisory and, if directed by the Board, approval services to other committees and groups developing new programs and services, to ensure LTAD principles are being properly represented and implemented.

Approved by the Orienteering Canada Board of Directors, August 2013
